

CONSERVE SOUTHWEST UTAH

#SAVEREDCLIFFS

We need your help on social media to let BLM and elected officials know that they made a big mistake by authorizing the Northern Corridor Highway through the heart of the Red Cliffs National Conservation Area.

How to #SaveRedCliffs

- 1- Make a #SaveRedCliffs sign on paper or poster board.
- 2- Mask up and take a selfie with your sign in your favorite spot in the Red Cliffs NCA.
(Or edit an existing photo from Red Cliffs and use the photo editor on your phone to add a text box that says #SaveRedCliffs. See example below.)
- 3- Post your photo on Facebook and Instagram using the text and tags below to amplify your #SaveRedCliffs message.

Facebook

@BLMNational has approved construction of a four-lane highway through my Red Cliffs NCA. @USFWS has approved the destruction of desert tortoises in the highway's path. @WashingtonCountyUT is ignoring better transportation alternatives and residents who want to see this refuge remain protected. An attack on one is an attack on all and this decision has serious implications for National Conservation Lands everywhere. I/we oppose this last-ditch attempt by the Trump Administration to harm America's public lands and wildlife. @conservesouthwestutah
